

CORPORATE PROFILE

IT CONSULTING & STAFFING SERVICES

“ From your dream to
both our realities ”

PHILOSOPHY:

*Customer is the most important visitor on our premises.
He is not dependent on us. We are dependent on him.*

*He is not an interruption in our work. He is the purpose of it.
He is not an outsider in our business. He is a part of it.*

*We are not doing him a favour by serving him.
He is doing us a favour by giving us an opportunity to do so.*

- Mahatma Gandhi

...let our experience be your guide!

Introduction

Macropus Global Ltd., is an established company with offices in British Columbia, Alberta and Nova Scotia, Canada and also operates across Canada and around the globe with other affiliated offices with unwavering sole aim of consulting and staffing with both local and foreign talents.

Our name **Macropus** self-portrays the strength and quality of services we provide to our clients. **Macropus** derives its name from Marsupial, which refers to the animal species of Kangaroo. Kangaroos have the gift of running very fast and are known to be still being able to keep their babies in their pouch, safe and sound. In a similar way, **Macropus** is able to provide expert quick services to its clients and in the process always putting the client's needs first and taking complete care to provide the best quality services.

Macropus Global Ltd. was founded in January, 2009 with a vision of providing best services in the field of Information Technology Consulting Business Services. **Macropus Global** has expanded its services to provide Staffing, Corporate IT Training and Placing individuals to integrate them with the main stream Canadian workforce. **Macropus Global** has also expanded its wings into Canada Immigration & Visa Services to bring global talent to Canada.

Indeed, we are a technology Services Company that provides Consulting, Staffing, Apps Development, Outsourcing, Individual/Corporate Trainings and placements. We define, design and deliver technology-enabled business solutions that help our clients win. We leverage our expertise in technology, consulting, staffing and outsourcing to help our clients perform at the highest levels so they can create sustainable value for their customers and shareholders.

By and large, we are strategically positioned to work closely with our clients to fully understand your business and development needs.

Our Background

VISION

Become a trusted global staffing service provider to meet the ever-growing demand for the skilled Individuals and Organizations worldwide.

MISSION

Provide quality services to Individuals and Organizations that would, in turn, build trust and a long-lasting relationship.

GOAL

Guaranteed solutions that will comply reasonably well within the budgets of each of our valued clients by taking time to understand your business needs to come up with a refined solution that will exceed your expectations.

Business Focus

At **Macropus Global Ltd.**, we passionately strive to create a real value for our clients and partners alike. Our business focus strategy, therefore, is a reflection of our values and course of action.

Our process involves understanding our client's requirement based on the business needs, hiring parameters, specific demands and challenges. Beyond this, our team will map the internal processes and align our organizational structure based on the hiring requirement. We would then assign the requirement to a specialized team which has the capability of discovering and delivering the right talent to our customers.

Right talent could be situated anywhere globally, **Macropus Immigration & Visa Services** division brings global talent to Canada to meet our clients requirements.

Interestingly, we are always seeking engaging relationships with like-minds in the industry.

*“Our clients choose us because we challenge convention to find the solutions that really work in practice and **not just mere saying.**”*

Why Us

Innovation

We value above all our ability to serve our clients by constantly adapting program services so that clients' needs are effectively met in a constantly changing marketplace.

Professionalism

We always focus on professionalism. With us, you are going to be able to get all your needs fulfilled with a professional attitude.

Integrity

We are committed to the highest standards of ethics, honesty and mutual respect in our internal and external relationships.

Adaptive Thinking

In the business world, change is constant – dynamics shift, customers' needs evolve and the unexpected can happen. At **Macropus**, we understand this, and understand that each client needs a different solution.

Our Services

With all sense of responsibility, we are proud of what we have been able to accomplish thus far as a company. The evolving industry trend is more focused towards compliance, time-to-market, focus on core process and quality improvement rather than cost savings.

Our comprehensive approach helps our customers to successfully make the transition to new technology and transform their organizations to prepare for the next big thing.

Macropus Global Ltd. provides the following services which invariably depict all that we specialize in:

...let our experience be your guide!

Our Services

Contract Staffing

Our Contract-Hire services provide our customers with cost-effective teams of dedicated, capable and skilled business and technical resources. These resources are capable of working on-site, along with customers' IT department. Our dedicated resource managers ensure the availability of quality resources across various technical and business skills set.

Our team of highly skilled consultants provide technical insight, ability and guidance to strengthen your in-house capabilities and resources.

Temporary Staffing

In temporary staffing, our recruiters search and pre-select the most qualified candidates for the client's staffing needs. After the hiring manager makes the decision on who is the final candidate, we hire and assign the employee to work at the client's premises for the required time frame.

Full-Time Staffing

Our Full-Time Staffing Solution empowers our customers to overcome complex hiring challenges and gain advantage over competition, this solution is custom made according to our client needs and suits well for start-ups as well as large size Fortune 500 companies.

We ensure that our clients get quality and timely staffing services solutions by keeping abreast with the latest trends in the industry.

Temporary To Permanent

If the chosen candidate proves to be the right fit for the job and the client is ready to make him/her a full-time member of the team after setting up their resources, we begin transferring all the employment rights with reasonable charges and/or conversion fees.

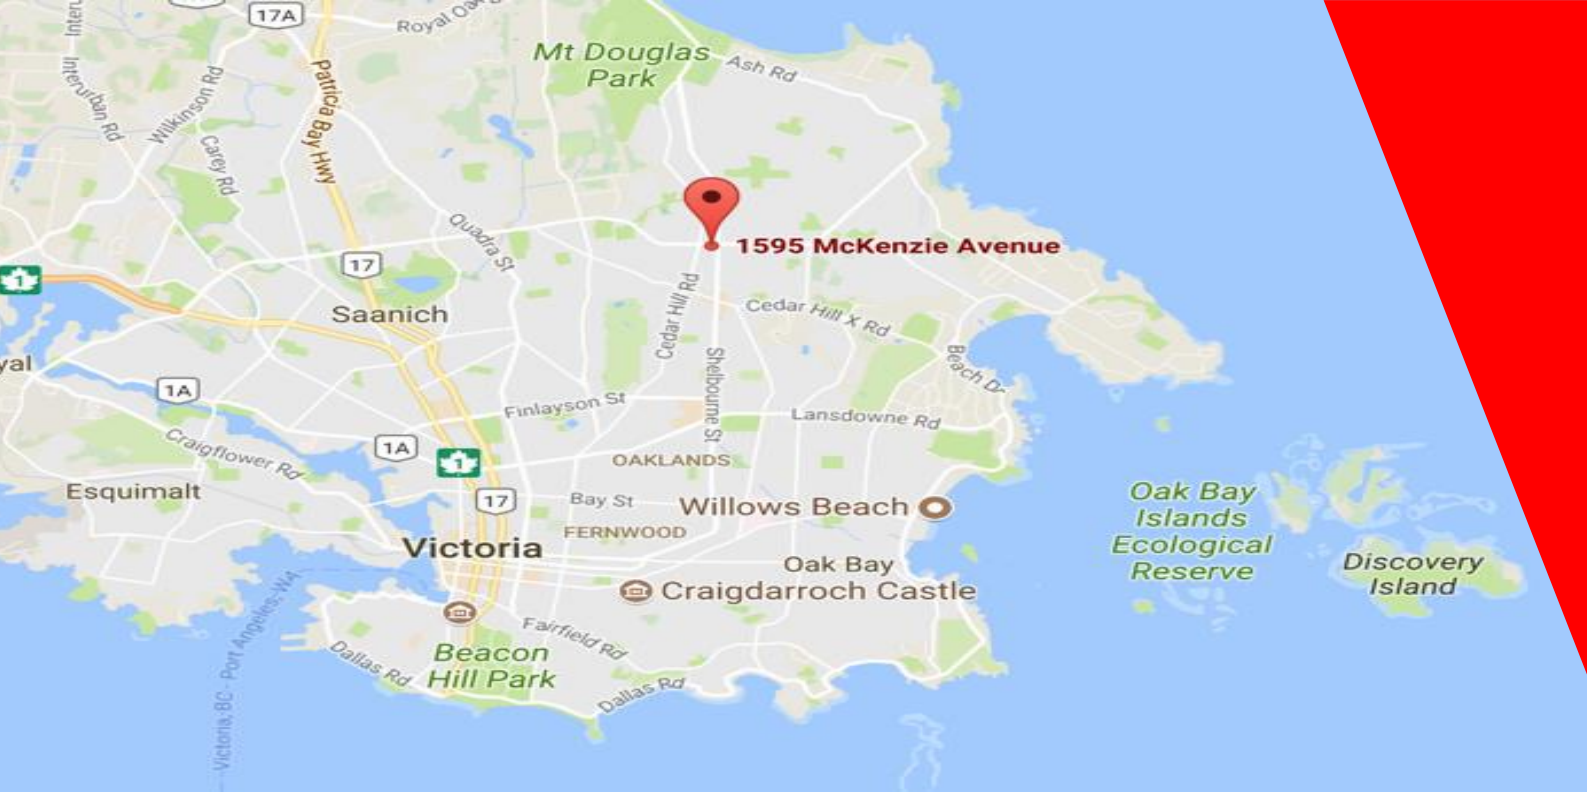

Management

Macropus Global Ltd. management team boasts of seasoned IT professionals with over 15 years of experience in IT industry. The management team consists of individuals with various domain expertise and have developed a great network with individuals and organizations.

The management team proactively gathers feedback, identifies changes in business environment, reviews work processes and communicates key learning points and company policy to all staff at regular meetings.

We are strategically positioned to work closely with our clients to fully understand their business and development needs; thereafter, have the needs studied and a tailor-made solution designed accordingly.

At **Macropus Global Ltd.**, we are known for excellence in a diverse range of markets. Our extensive experience in each and every realm is driven by the breadth and depth of our qualified teams, all who take pride in doing the best possible job for our clients.
